Course Description:

This 8 to 12 hour NAA Level 1 Basic Archery Instructor class is designed for 4H, scouts, summer camps, youth organizations, JOAD, County/City ASAP (After School Archery Program) Recreation Department or other short-term program instructors and YMCA instructors. No prior experience is required. Certification is valid for three years; the minimum age for students requires that youth must be in the year of their 16th birthday or older. You'll learn how to set up and operate a safe short-term archery program, how to teach new archers, how to maintain program equipment, and learn common shooting errors and correction, which may also help your own skills. A new component includes a "drills & skills" section, which aids in training new archers. NAA membership is NOT required.
